

Ops Daoyai Musnah 1

by Col Mohd Amin RMAF (Ret'd)

These photographs of **Ops Daoyai Musnah 1** show both Nuri and Alouette Gunships from No 3 Sqn, RMAF Butterworth involved in the operation. Honestly, I don't know the location of this area where the photographs were taken. If I'm not mistaken, we, No 10 Sqn of RMAF Kuantan, were operating 4 Nuris from Kelantan side of the operations. The ops areas were Batu Melintang and Jeli. We were based at a football field near 8 Bde HQ, Pengkalan Chepa. Our accommodation was provided by the Police Field Force
